Thailand Automotive manufacturing situation Toyota Losing Ground as World's Largest Auto Manufacturer

Global production dropped 30% in March, and 400,000 additional units are expecting to be list in April due to ongoing parts shortages for Toyota Motor Co. Production situation of Toyota Motor Thailand will remain only 30% from full capacity since April until June. ISUZU and HONDA's production remain only 50%.

For Situation of **TOSEI Thailand**, Sale project seems will be delayed depended on each customer situation. Anyway it will be good chance for service activities which can be served to customer more than normal situation due to machine stopable time rate. Machine can be stopped for maintenance service and retrofit until training support. This is very good chance to show our excellent service.

Sale result of TSET in the first quarter of Y2011 hit company target at 168% from Q1 target or almost 35% from yearly sale target. Thailand news & April festival

Songkran is a Thai traditional New Year which starts on April 13 every year and lasts for 3 days. Songkran festival on April 13 is Maha Songkran Day or the day to mark the end of the old year, April 14 is Wan Nao which is the day after and April 15 is Wan Thaloeng Sok which the New Year begins. At this time, people from the rural areas who are working in the city usually return home to celebrate the festival. Thus, when the time come, Bangkok temporarily turns into a deserted city.

The values for community is to provide the opportunity to create unity in the community such as to jointly acquire merits, to meet each other and to enjoy the entertaining events. And for the society value is to create concern upon environment with cooperation such as to clean houses, temples, public places and official buildings. Thais value the religion bye means of merits acquisition, offerings alms to monks, Dhamma Practice, listening to sermon and monks-bathing.
